

The Hawaii Kai Marina Community Association

is pleased to announce that we and Aina Propane & Petroleum will be able to provide our power boating members with **NON-ETHANOL** fuel.

This project will be a **TEST PILOT** and we will start with

1,000 gallons of fuel.

The fueling location will be at HKMCA's maintenance facility dock near the Hawaii Kai Drive bridge.

The price will be 20 cents per gallon cheaper than surrounding gas stations.

The scheduled start date will be **Saturday, August 27, 2022**

from 9:00 a.m. to 1:00 pm.

Please refer to our website at hawaiiikaimarina.com for future fuel delivery dates.
